The International Hospital Federation and the Resah Idf (*Central purchasing body for public hospitals and nursing homes for Ile de France Region (France)*), hosted 5th and 6th July 2011 in Paris, France, a meeting of the IHF Group Purchasing Chapter, which brought together group purchasing organisations (GPOs), hospital and healthcare decision-makers and industry. The aim of the meeting was to initiate the exchange of dialogue in order to establish understanding and cooperation and build national, regional and international collaboration with regard to procurement and purchasing systems. Participation by the corporate sector, was by invitation.
